1. ENROLMENT REQUEST AND CONFIRMATION

The sending of a demand for enrolment does not guarantee a place within the school. For that reason, the request has to be received at the earliest date.

If the availability allows EPM Espace Pédagogique Montreux SARL (below: EPM) to give a favorable response to the request of enrolment, EPM sends the Client a "*Letter of Confirmation*", accompanied with a paper copy of the present CGA. All of the documents must be returned, signed and dated within 10 calendar days.

If this deadline is not respected, the enrolment is not valid, EPM however reserves the right to accept, a late inscription. In sending back the letter of confirmation for a child, (children) the parent/s accept the present CGA and the internal rules of the school. The enrolment binds the Client as soon as the letter of confirmation is returned duly signed for EPM. The enrolment becomes definitive and binds EPM, only once the deposit below has been paid.

Our aim is that each pupil can be enrolled in the class that corresponds with their age, academic level and their hopes for the future and we will work to the needs for each individual child.

The intergration of pupils that join us who do not speak French or English as a first language, pupils with special learning requirements and/or behaviour concerns will be studied individually. The school can request entry tests to assess the level of the pupils.

Parents of new pupils must ensure that all relevant information about their child is given to the school (for example, tests have been carried out by previous schools, special individual education plans that have been put in place, or if a pupil has been previously expelled from a school). Any information that is not provided could result in the contract being cancelled.

2. PREPAYMENT

A first payment (hereafter deposit) is due before the 1st of August.

This prepayment corresponds to CHF 3'500.- and will be deducted from the final invoice for schooling.

As long as the prepayment is not credited on its bank account, EPM remains free to refuse the inscription and to propose the place reserved by the Client for others interested. In the event of withdrawal of the Client after sending the form of confirmation, the prepayment is owed to EPM subject to the point 4) below.

3. PAYMENT

The annual invoice for schooling (below: the School fees) can be paid, monthly, quarterly or annually (at the choice of the client). The definitive choice of the method of payment is made during the signing of the letter of confirmation.

The due payments are on the balance of the School fees, or after deduction of the amount of the Deposit above.

Please refer to Appendix for Fee Summary.

If siblings are enrolled, the following discount will be applied to the school fees (only): **10% for the second child, 15% from the third child.**

The terms of payment vary:

Monthly

Ten successive monthly payments before the beginning of every month, the first one before September 1st preceding the school year. The due monthly amounts amount to 1/10th of the balance of the School fees (Deposit deducted).

The amount due corresponds to the amount of the balance of the School Fees (Deposit deducted).
